JEANIE YOO

ARTIST

Jeanie is a Korean-American multidisciplinary artist and model based in New York City.

Her work explores the idea of femininity and vulnerability through delicate figures and whimsical compositions and color palettes. In her own words, "My artistic focus delves into three pivotal relationships I consider significant and volatile: the connection to myself, to my physical body, and to my mother. The paintings I create frequently oscillate between highly figurative depictions and abstract forms, embodying a tension that I continually strive to reconcile."

A graduate of the Rhode Island School of Design (RISD) with a focus on painting, Jeanie has bursted on to the fashion and art scene across NY, LA, Paris, Tokyo, and Seoul. She has collaborated with high-profile brands such as Louis Vuitton, Urban Outfitters, and Hysterie Glamour.

Best known for her engaging presence on Instagram and TikTok, Jeanie invites her audience into her dynamic world, where she shares everything from makeup tutorials and fashion inspiration to the creation of her captivating art.
