

THE WAVES

LUCAS DEVIN

LUCAS DEVIN

ACTOR

Lucas traded the slopes of Chambéry and his love for theatre as a child for the streets of London at the age of 18 to pursue his studies. While studying, he worked as a model and in retail, where he discovered his flair for styling. The intimate connection that comes with styling sparked Lucas's interest in people's characteristics and traits: the way they move, speak, and enter a room.

This growing fascination eventually led Lucas back to his first love : acting. He trained for three years at L'École du Jeu in Paris, which focused heavily on the body and the physicality of the actor. This experience helped Lucas develop a solid foundation in his practice of ashtanga yoga.

So far, his highlights include working with Emma de Caunes on the mini-series Neuf Meufs et Neufs Mecs and collaborating with Marion Vernoux.

Now, he's excited to continue developing his acting career alongside other artistic opportunities.
